CONTENT CREATION

Content can either help your brand answer search queries or expand your target audience (or both). Either way, search engines prioritize content that is helpful, unique, and valuable. Our content creation services are optimized for both search engines and human readers.

YOU NEED CONTENT IF:

- You want to rank for specific keywords
- You want to become an expert in your industry
- You want to earn more backlinks to your site
- You aren't on page one of Google
- You want to increase brand awareness
- You want to generate more leads
- You want to create more brand loyalty

CONTENT TYPES

- Content Strategy Report
- Longform Guide
- Blog Articles
- Content Briefs

KEYWORD ARTICLES	\$700 ea.
LINKABLE ARTICLES	\$700 ea.

TECHNICAL SEO

With the ever-changing search landscape, it's essential to ensure your site is optimized. Our SEO audits will identify issues that are holding your site back and provide a roadmap to help you start ranking better in search results.

YOU NEED AN AUDIT IF:

- You have minimal traffic
- You have a high bounce rate
- You show significant traffic loss
- Your site is slow-loading
- You have outdated content
- you have underachieving content
- Your site has broken links
- The site has displayed an "HTTPS not secure" warning
- You have a low conversion rate
- Your site is ranking lower than competitors
- Your site has duplicate content

AUDIT TYPES

- Full Technical Audit
- Internal Link Audit
- On-Page Optimization

TECHNICAL SEO AUDIT	Custom Quote
ON-PAGE OPTIMIZATION (5 pgs)	\$950
ON-PAGE OPTIMIZATION (10 pgs)	\$1850
